

## **SFI - Swedish for Immigrants**

Alma Folkhögskola's courses in *Swedish for Immigrants (SFI)* are intended for people whose mother tongue is other than Swedish.

Our teachers have extensive experience from teaching SFI and the fact that they are both native and non-native speakers increases their ability to provide language support in various languages and is a great advantage while meeting people with different cultural background.

You can study SFI in learning paths 2 and 3 at levels B, C and D at Alma Folkhögskola in Göteborg. We offer you 15 hours classroom teaching per week. In addition to this you can also study on your own at our premises. You can practice reading, writing, listening and speaking. You will also learn about the Swedish society, culture and working life.

We will make field trips to various places in Göteborg to practice the language in everyday situations.

At Alma Folkhögskola you will receive identical SFI-courses and the same grades as if you would take the SFI-courses offered by the Municipality of Göteborg.

There is no waiting list to Alma Folkhögskola; you can start right away.
